

DOUBLE CHOCOLATE EXPLOSION

AMPLIFY XXXL

DESCRIPTION:

Amplify XXXL contains 25 grams of high-quality protein in a wellness formula designed to digest and release varied intervals throughout the day to ensure your muscles get the amino acids they need. ^ This formula is designed to support your body composition goals with naturally occurring branched-chain amino acids (BCAA), which may help reduce muscle breakdown during exercise, added medium chain triglycerides (MCTs), which are quickly absorbed by the body for the use of energy, and a dual carbohydrate system to preserve and replenish energy stores ^ . Amplify XXXL Weight Gainer also includes L-Arginine HCl to fuel muscle cells and influence the cardiovascular system through nitric oxide production ^ .

DIRECTIONS:

To prepare 1 serving of Amplify XXXL, Mix 1 scoop (approx. 167 g) to 15-16 fl. oz. of cold water and consume immediately following your workout to maximize recovery and fight fatigue ^ .

WARNINGS:

KEEP OUT OF REACH OF CHILDREN This product is only intended for healthy adults, 18 years of age or older. Do not use if pregnant or nursing. Do not use if you are allergic to any of the product ingredients, have known medical conditions (including but not limited to kidney, heart or liver disease), or are taking prescription or OTC medication(s). Immediately discontinue use and contact your healthcare expert if you experience any adverse reaction after using this product. Discontinue use 2 weeks prior to surgery. Do not use if the safety seal is broken, missing or tampered with. **USE ONLY AS DIRECTED.**

^ DISCLAIMER:

These statements have not been evaluated by the Food and Drug Administration (FDA). This product is not intended to diagnose, treat, cure or prevent any disease.

NOTICE:

Due to settling, a natural occurrence with powders, variations in the powder height level may vary from bottle to bottle. Shake container before use. Additionally, powder density may be affected as a result of the settling which may cause slight variations in the scoop serving size.

STORAGE:

To maintain product freshness, store in a cool and dry place (15°C to 27°C) away from direct sunlight. This product is sold by weight. Some settling may occur.
